1. Introduction

Thank you for giving me the opportunity to submit this proposal. I am excited to work with you on building a professional and impactful online presence for your business.

This document outlines the complete scope of work, deliverables, pricing, timeline, and terms & conditions for the development of your 2-page Business / Portfolio website.

2. Understanding Your Needs

Based on our discussion, here is my understanding of what you are looking for:

- A clean, modern 2-page website for your business
- WhatsApp and Email buttons so visitors can reach you instantly
- Google Map embedded to help customers find your location
- Mobile-friendly and responsive design across all devices
- Fast-loading and SEO-ready website

3. Scope of Work

The following deliverables are complementary within the quoted price of Rs. 21,500:

Deliverable	Description
Page 1 — Homepage	Hero section, business overview, services/offerings, and call-to-action

Page 2 – 5 — About + Products	Business story, team intro, or portfolio showcase with visuals
WhatsApp Button	Floating click-to-chat button with your number pre-filled (Rs. 1,500 value — complementary)
Email Button	Clickable mail to button so visitors can email you directly (Rs. 1,000 value — complementary)
Google Map Address	Embedded Google Map showing your exact business location
Responsive Design	Fully optimized for desktop, tablet, and mobile
Basic SEO Setup	Meta titles, descriptions, and heading structure
2 Revision Rounds	Minor cosmetic tweaks: text edits, alignment, small visual fixes

Important: Only the above items are included. Any additional features or changes outside this scope will be treated as Additional Services and quoted separately.

6. Why Work with Me

I take every project seriously and am committed to delivering quality work that meets your expectations:

- Clear and consistent communication throughout the project
- Transparent pricing — no hidden charges
- Mobile-first development with modern design
- Post-delivery support for minor fixes and questions
- Willingness to guide you through every step, including hosting & domain setup

7. Terms & Conditions

The following terms govern this engagement. By confirming acceptance of this proposal — whether by signature, email, WhatsApp, or any electronic message — the Client agrees to all terms below.

1. **Nature of Engagement**
   The Developer provides website design and development services as an independent service provider.
   Nothing herein creates an employer-employee, partnership, or agency relationship.
2. **Project Scope**
   The Developer agrees to design, develop, and deploy a static business website as per mutually discussed specifications (including email/message records).
   Deliverables strictly include only items explicitly agreed upon in this proposal.
   Any request outside the defined scope shall be treated as Additional Services and billed separately.
3. **Payment Terms**
   50% Advance — payable prior to project initiation. Work shall not commence without receipt of advance.
   50% Final Payment — payable upon completion / pre-deployment approval.
   Additional services, enhancements, integrations, or revisions beyond scope shall be invoiced separately.
   Delay in payment may result in temporary suspension of services.
4. **Project Timeline**
   Timelines are estimates based on scope and are subject to client cooperation.
   Developer shall not be responsible for delays arising from: client feedback delays, content/material delays, scope modifications, or third-party dependencies.
   Urgent/priority delivery requests may attract additional charges.
5. **Revision Policy**
   This project includes Two (2) Minor Revision Rounds.
   Minor revisions include: text adjustments, small visual refinements, alignment corrections.
   NOT considered revisions: layout restructuring, design modifications, new sections/pages, feature additions.
   Requests beyond the above shall be treated as Additional Services and quoted separately.
6. **Support Terms**
   Minor post-delivery support may be provided as mutually agreed (text edits, bug fixes, minor corrections).
   Major updates or feature modifications will be billed separately.
7. **Change Management**
   Any modification request affecting layout, structure, features, integrations, or behaviour shall be classified as Additional Services and costed accordingly.
   No implicit services shall be assumed.
8. **Liability & Responsibility**
   Hosting, domain, and infrastructure remain Client responsibilities unless explicitly contracted.
   Developer liability is limited strictly to services defined under this Agreement.
   Developer shall not be liable for: hosting/server failures, third-party platform issues, or external service disruptions.
9. **Client Responsibilities**
   The Client shall provide accurate content/materials and ensure legal ownership of all submitted content.
   The Client shall provide timely approvals and feedback.
   The Client shall arrange hosting/domain unless contracted with the Developer.
   Developer shall not be liable for inaccuracies in client-provided materials.

10. Intellectual Property

Upon full payment, the Client obtains usage rights to the final website deliverables.
Developer retains rights to underlying tools, methods, frameworks, and reusable components.
Developer may display the work for portfolio/reference purposes unless restricted by written agreement.

11. Third-Party Services

Where integrations involve third-party platforms (WhatsApp, Google Maps, Google Forms, etc.), Developer liability is limited to correct implementation only.
Performance and availability of third-party services are governed by their respective terms.

12. Limitation of Liability

To the maximum extent permissible under applicable Indian law, Developer liability is limited to fees paid for the disputed services.
No liability for indirect or consequential losses.

13. Termination

Either party may terminate the engagement.
Advance fees are non-refundable once work has commenced.
Completed work shall be chargeable proportionally.

14. Governing Law & Jurisdiction

This Agreement is governed by the laws of India.
Any disputes shall be subject to the exclusive jurisdiction of courts at Gorakhpur, Uttar Pradesh.

15. Force Majeure

Neither party shall be liable for failure or delay caused by events beyond reasonable control.

This Agreement constitutes the entire understanding between the parties and supersedes all prior discussions.

8. Acceptance

In the event a physical or digital signature is not affixed, written confirmation of acceptance communicated via email, WhatsApp, or any electronic medium shall constitute valid and legally binding acceptance of this Agreement.
