Standard Project Terms & Workflow Structure

1. **Nature of Engagement**: The Developer shall provide website design and development services as an independent service provider. Nothing contained herein shall be construed to create any employer-employee, partnership, or agency relationship.

2. **Project Scope**: The Developer agrees to design, develop, and deploy a static business website as per mutually discussed specifications, in writing (including email / message records). The deliverables shall strictly include only those items explicitly agreed upon. Any request outside the defined scope shall be treated as **Additional Services** and billed separately.

3. **Payment Terms:**
    a. The total project fee for the website development shall be mutually agreed upon prior to project initiation
    b. Payment Structure:
        i. **50% Advance** – Payable prior to project initiation
        ii. **50% Final Payment** – Payable upon completion / pre-deployment approval
    c. Work shall commence only upon receipt of advance payment. The Developer shall not be obligated to commence work without receipt of advance payment.
    d. Additional Services, Enhancements, Integrations, or Revisions beyond scope shall be invoiced separately.
    e. Delay in payment may result in temporary suspension of services.

4. **Project Timeline:**
    a. Estimated timelines shall be communicated based on project scope. Project timelines are estimates based on scope and are subject to Client cooperation.
    b. Developer shall not be responsible for delays arising from:

        i. Client feedback delays
        ii. Content/material delays
        iii. Scope modifications
        iv. Third-party dependencies
    c. Urgent / priority delivery requests may attract additional charges.

5. **Revision Policy**
    a. The project includes: Two (2) Minor Revision Rounds, minor revision shall be just cosmetic and include:
        i. Text adjustments
        ii. Small visual refinements
        iii. Alignment corrections
    b. The following are NOT considered revisions:
        i. Layout restructuring
        ii. Design modifications
        iii. New sections/pages
        iv. Feature additions

    Such requests shall be treated as Additional Services.

6. **Support Terms**
    a. Minor post-delivery support may be provided as mutually agreed.
    b. Minor support includes:
        i. Text Edits
        ii. Bug Fixes
        iii. Minor Corrections
    c. Major updates / feature modifications billed separately.

7. **Change Management**

    Any modification request affecting:
    a. Layout
    b. Structure
    c. Features
    d. Integrations
    e. Behaviour

shall be classified as Additional Services and costed accordingly. No implicit services shall be assumed.

8. **Liability & Responsibility**
    a. Hosting, domain, and infrastructure remain Client responsibilities unless explicitly contracted.
    b. Developer liability limited strictly to services defined under this Agreement.
    c. Developer shall not be liable for:
        i. Hosting/server failures
        ii. Third-party platform issues
        iii. External service disruptions

9. **Client Responsibilities:** The Client shall:
    a. Provide accurate content/materials
    b. Ensure legal ownership of submitted content
    c. Provide timely approvals/feedback
    d. Arrange hosting/domain unless contracted

    The Developer shall not be liable for inaccuracies in Client-provided materials.

10. **Intellectual Property**
    a. Upon full payment, the Client shall obtain usage rights to the final website deliverables.
    b. Developer retains rights to underlying tools, methods, frameworks, and reusable components.
    c. Developer may display work for portfolio/reference purposes unless restricted by written agreement.

11. **Third-Party Services**

    Where integrations involve third-party platforms/services:

    a. Developer liability limited to correct implementation
    b. Performance/availability governed by third-party terms

12. **Limitation of Liability**

To the maximum extent permissible under applicable Indian laws:

a. Developer liability limited to fees paid for disputed services
b. No liability for indirect/consequential losses

13. **Termination**

a. Either Party may terminate engagement. Conditions:
   i. Advance fees non-refundable once work commenced
   ii. Completed work chargeable proportionally

14. **Governing Law & Jurisdiction**

This Agreement shall be governed by laws of India. Any disputes subject to exclusive jurisdiction of courts at **Gorakhpur, Uttar Pradesh**.

15. **Force Majeure**

a. Neither Party liable for failure/delay caused by events beyond reasonable control.

This Agreement constitutes the entire understanding between Parties and supersedes prior discussions.

Name of Client: **Sign**

Date: ___/___/_____ _____

(In the event a physical or digital signature is not affixed, written confirmation of acceptance communicated via email, messaging platform, or any electronic medium shall constitute valid and legally binding acceptance of this Agreement.)
